LINCARE
A Linde company®

Pride Jazzy® Select.

FDA Class II
Medical Device*

Features:

- Mid-wheel drive technology and a compact size is perfect for small spaces by offering a tight turning radius of 22.5"
- Dual in-line motors for enhanced efficiency, torque, range and performance
- Articulating rear caster beam works in conjunction with the ATX Suspension for a smooth ride over uneven surfaces
- Easy-access free-wheel lever
- Color-through shroud keeps the shroud looking new by reducing the visual scrapes and chips

Jazzy Red

Experience the simplicity and maneuverability of the **Jazzy Select®**. Equipped with **Active-Trac®** Suspension and dual motors, this power chair ensures a smooth, comfortable ride over uneven terrain. Midwheel drive offers a tight turning radius, making the Jazzy Select a perfect choice both indoors and out.

1 Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tire condition. These specifications can be subject to a variance of (+/- 10%).
2 Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or - 3%).
3 AGM or gel cell type required.
4 Tested in accordance with ANSI/RESNA, WC Vol2, section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.
5 Battery weight may vary based on manufacturer.

To pre-qualify for a power chair or scooter at little or no cost to you.
